

Item P10-2854

Shark HD Series Pressure Washer - 3,500 PSI

Reliable Honda GX engine with low-oil alert and silent-tone muffler. Safety thermal pump saver valve protects against hot-water damage by venting recirculated water. → Insulated stainless steel wand with quick-couple connectors for easy attachment of high-pressure nozzles. 10" tubed pneumatic tires for easy maneuvering on all terrains and to absorb vibration. → Rubber feet to absorb vibration and keep the unit from "walking". Convenient front and back 1 1/4" handles to assist in lifting and moving the pressure washer. **Includes 50 ft. of wire-braid hose, heavy-duty trigger gun, chrome-plated wand, and four stainless steel nozzles each with varying spray.**
