

Item P10-2789

Shark Hot Water Pressure Washer

Honda's gasoline powered 11 HP engine (with electric start) powers this highest quality and most durable hot water pressure washer producing 3,000 PSI @ 3.5 GPM. The heating element can be run on diesel or fuel oil. Features Shark's tri-plunger, oil-bath pump that carries a 7-year warranty. Thermal pump saver valve protects against hot-water damage by venting re-circulated water. The hot water coil is made of 1/2", Schedule 80 steel pipe and cold rolled for years of leak-free operation. The control panel is enclosed automatic thermostat, hour meter, and on/off switch. Mounted on a durable 1 1/4" steel chassis and protected by a steel roll cage. Four 13" pneumatic tires allow for easy maneuverability around the jobsite. **Includes 50 ft. of wire-braid hose, heavyduty insulated trigger gun, rust-free polyethylene tank, and four stainless steel nozzles each with varying spray.**

Specifications	
Water Pressure	3,000 PSI
Flow Rate	3.5 GPM
Engine Mfgr.	Honda (GX Series)
Horsepower	11.0 hp
Weight	565 lbs.
BTU	326,000
Diesel Tank Capacity	6 Gallons
Gas Tank Capacity	1.5 Gallons
Dimensions	45" L x 30" W x 43" H
