Item P10-2466

Squids® Tool Lanyard - XL Locking Carabiner and Loop - 80lbs

The Squids Tool Lanyard features an extra-large locking carabiner on one end and a durable treaded loop on the other end. Designed to attach one end to large tools weighing up to 80lb and the other securely to a fixed anchor point (instead of the worker) to prevent heavy falling objects when working at heights. Color: orange.
