

Item P10-2820

TS700 Stihl CutQuik®

The TS 700 is the most advanced Stihl Cutquik® ever produced. It features the amazing X2 long term air filtration system for extended service intervals and a powerful, fuel efficient engine that gets the job done. The TS 700 is lightweight, well balanced and features a 5 point, dual element vibration control system for exceptional operator comfort. Loaded with innovative features like the semi-automatic belt tensioner, the TS 700 is the right choice for demanding professionals. Water attachment included.
