Item P16-0730

Armorgard Rubble Truck™

Ergonomically designed, the Rubble Truck is a game changer with its 13.5 cu ft capacity, 1650 lbs capacity, and a built-in tipping feature. You can now get the job done quicker, safer and easier. Robust 10-gauge steel construction, solid puncture proof wheels and side protection buffers so you can be confident it is built to withstand the tough tasks day in, day out. Getting the debris to ground floor is now quicker and easier. You can safely stay in front of your materials using its heavy-duty, fully welded crane lifting eyes. At the end of the day, stack it away and maintain a working space that's safe and clutter free. Optional heaped lid available to prevent debris falling out and increases capacity (#6-0731).
