

Item P16-0725

Armorgard Siteboss Chest

Featuring extreme UltraLock features multi-spur locking mechanism for top security. Unique design product made from 14 gauge steel. Tamper proof joints prevents the lid being forced open. Dual gas struts assist with the lid opening and closing. Armorgard's exclusive innovation: SlamStop lid stay, designed to protect the worker. Powder coated for maximum durability. 6-Gauge, four-way forklift pockets for easy transportation. Robust castors and crane lifting eyes are available as optional extras to ease the handling on your jobsite. Cable pass-through point to provide you power cord access. Patent pending.
