Bosch 18V PROFACTOR Brushless SDS-plus® Bulldog™ 1" Rotary Hammer Kit

The Bosch GBH18V-26K24A kit pairs two CORE18V 8.0 Ah PROFACTOR Performance Batteries with an SDS-plus® Bulldog™ 1 In. Rotary Hammer that delivers 1.9 Ft.-Lbs. of impact energy (EPTA). The hammer's brushless motor maximizes battery runtime for extended performance. It also has KickBack Control, an integrated sensor to stop tool rotation in bind-up situations; Electronic Precision Control, for smoother bit starts; and Vibration Control, for extended user comfort. It weighs only 8.4 Lbs. (with included battery). **Kit includes: 18V Brushless SDS-plus® Bulldog™ 1" Rotary Hammer, (2) GBA18V80 18V CORE18V Lithium-Ion 8.0 Ah PROFACTOR Performance Batteries, 18V Charger, Auxiliary Handle, Depth Gauge, and Carrying Case.**
