

Item P11-6490

Bosch 360 Connected Green-Beam Three-Plane Leveling and Alignment-Line Laser

Bluetooth® connectivity, users can control the setup of the laser from across the room with their smart phone and the free Bosch Leveling Remote App. The laser offers dual power technology, employed the included Bosch 12V Max Lithium-ion battery for extended runtime, or with four AA alkaline batteries. The laser has a working range of up to 200' diameter, and with pulse mode the range extends up to 30'(diameter) with the optional LR8 receiver. This laser features VisiMax™ Technology to drive maximum line visibility, CAL Guard for calibration assurance and robust over-molded construction to withstand rainy or dusty jobsite conditions. **Includes: 360 Connected Green-Beam Three-Plane Leveling and Alignment-Line Laser, 12V Max Battery, 12V Max Charger, BM 1 positioning device, laser target plate, AA1 alkaline battery adapter, heavy-duty pouch and (1) hard carrying case.**
