**Bosch 5" Angle Grinder with No-Lock-On Paddle Switch**

The Bosch 5" Angle Grinder furnishes a no-lock multi-grip paddle switch for user control and comfort, while delivering 13 amps and 11,500 rpm of professional power. The paddle switch provides additional operator control, while the no-lock-on feature shuts the motor off after the switch is released. It was designed for longer life, featuring directed air flow that diverts dust away from vital components. It is equipped with a two-position Vibration Control™ side handle, making it less strenuous to operate. Includes: backing flange, lock nut, spanner wrench, grinding guard , and vibration control side handle.
