

**Item P11-6566**

**Bosch Green-Beam Five-Point Self-Leveling Alignment Laser**

Five-point, self-leveling laser with  $\pm 1/8"$  accuracy at 30' for up/down plumb, align and level applications (the bottom point's accuracy is  $\pm 1/4$  in. at 30 Ft.). Green-beam technology is up to 4X brighter than standard red beams. VisiMax™ technology delivers maximum beam brightness in most jobsite conditions. Offers several durability features, such as the Smart Pendulum System to lock the laser when switched off, 360 degree rotation, a hard carrying case and full rubber overmold housing. The integrated multipurpose laser mount features strong magnets and allows the user to mount the laser virtually anywhere. **Includes: built-in multipurpose mount, (2) AA batteries, and hard carrying case.**
