Bosch PROFACTOR 18V Strong Arm Connected-Ready 7 1/4" Circular Saw Kit

This circular saw delivers corded performance from an 18V cordless 7 1/4" saw. The Bosch GKS18V-25C 18V 7 1/4" BITURBO Brushless™ Circular Saw has a 2 1/2" cut capacity, easily cutting through 2X ("two by") material across the entire bevel range. This circ saw is part of the PROFACTOR™ System, which pairs BITURBO Brushless™ Technology with a CORE18V® High Power Battery. **Kit includes: PROFACTOR 18V Strong Arm Connected-Ready 7 1/4" Circular Saw, GBA18V80 18V CORE18V Lithium-Ion 8.0 Ah PROFACTOR Performance Battery, 18V Fast Charger, 7 1/4" 24-Tooth Carbide Circular Saw Blade, Hex Wrench, and Carrying Bag.**
