

Item P11-6569

Bosch Red Self-Leveling Cross-Line Laser

Self-Leveling Cross-Line Laser with Plumb Points package delivers a laser with all-in-one versatility, providing highly visible lines and points that can be turned on independently or together for horizontal level, vertical level and plumb transfer applications. This laser has a visible range of 65' VisiMax™ Technology monitors power consumption to maximize line visibility and extend battery life. The Smart Pendulum System self-levels with an accuracy of up to ±4°, and it indicates out-of-level condition. The manual mode locks lines for use at any angle. IP54 ensures splash water/dust protection. It comes with the RM 1 Magnetic Rotating Mount with Fine Adjust that rotates 360° by the precision of a fine adjustment knob. **Includes: magnetic rotating mount, AA batteries and hard carrying case.**
