

Item P25-0489

Concrobium Broad Spectrum Disinfectant II

A unique, proprietary solution is botanically-derived and offers significant advantages over existing botanical solutions on the market. Provides superior cleaning so users don't have to resort to two separate products for disinfection and cleaning. No irritating, lingering fumes that are associated with first-generation botanical formulas. EPA-registered bactericide, virucide, tuberculocide and fungicide that contains no harmful chemicals. The solution has no warning labels and requires no PPE.
