

Item P12-1343

20 Amp 2' Heavy Duty In-line GFCI

Heavy Duty 2 ft. In-line triple tap manual reset GFCI is used for protection of heavy duty power tools and portable equipment on construction sites. This lightweight, portable product is ruggedly made for indoor or outdoor use. A 20 amp GFCI allows for greater electrical capacity. The bright "Green" light indicates when the power is "ON". The TEST and RESET buttons allow for periodic testing.
