

Item P11-6576

DeWalt 12V MAX Cross Line Laser

12V lithium-ion rechargeable power tool battery platform for extra long run time and the convenience of rechargeable power tool batteries. Self-leveling cross lines project bright crossing horizontal and vertical lines for various leveling and layout applications. Integrated magnetic bracket with 1/4" and 5/8" thread rear mounted magnets allow flush attachment to metal and steel track. Full-time pulse mode allows for use with detector, maintains full brightness for visibility, and extends range. Overmolded housing and IP65 debris/water resistance. Locking pendulum helps prevent damage to internal components. **Includes: cross line laser, case, extended ceiling bracket, 12V battery, charger and target card.**

Item	Description	Attributes
11-6587	DW088LR 12V MAX Cross Line Laser	Laser Beam Color: Red Accuracy: +/-0.125" Range: 165' Visible Range: 100'
