

Item P11-0087

DeWalt 5"/6" Brushless Angle Grinder with Variable Speed Slide Switch and Kickback Brake

This 5"/6" brushless small angle grinder with variable speed slide switch and kickback brake features our long-lasting brushless motor, so there are no brushes to replace. It also features a brake to stop the wheel quickly, and PERFORM & PROTECT™ features like Kickback Brake and E-CLUTCH® help provide enhanced user protection. POWER-LOSS RESET® - The ON/OFF trigger switch has a no-volt release function. In the event of a power outage or other unexpected shut down, the trigger switch will need to be cycled (turned off and then on) to restart tool. Variable speed functionality lets the user change wheel speed for applications as needed. **Kit includes: grinder, side handle, hex key, inner and outer flange, 6" type 27 guard and pipeline cover.**
