

Item P11-0707
DeWalt FLEXVOLT® 60V MAX Brushless 12" Double Bevel Sliding Miter Saw Kit

Features Regenerative Braking Technology to extend runtime with virtually every cut, up to 675 cuts in 31/4" MDF base molding or up to 255 cuts in pressure treated 4" x 4" timber, all on only one DEWALT FLEXVOLT® DCB609 battery. This miter saw features an efficient bevel gear transmission and has the ability to capture up to 94% of dust. The CUTLINE™ blade positioning system provides accurate cut line indication. The saw also features updated controls designed for overall ergonomics compared to previous DEWALT designs. At a weight of 50.9 lbs. (tool only), you can easily take this saw on the go across demanding jobsites. **Includes: 60V MAX Brushless 12" Double Bevel Sliding Miter Saw, DCB609 20V/60V MAX FLEXVOLT® battery, 6-amp charger, blade and blade wrench.**
