

**Item P14-0371**

**Door / Window Jamb Anchor**

Fits door or window sizes ranging from 21.5" to 51.5" in width for complete jobsite flexibility. Non-penetrating design ensures no damage to structure - it is simply compressed between the vertical sides of the door or window - no drilling required! Fast and easy installation with built-in adjustment knob - no tools are required! Lightweight and extremely portable design weighs only 14 lbs. for easy transport and use. Typical applications for this anchor include residential and commercial construction, rooftops with door entrances, elevator shafts, wall openings, emergency egress and rescue and more. This fast, simple and safe tie-off point meets OSHA requirements for fall arrest rated anchorages. Manufactured by DBI/Sala.
