**Item P13-0980**

**DuraBox Jobsite Chests**

Durabox jobsite chests provide jobsite protection from theft and weather for your valuable tools and equipment. The innovative design offers versatility, strength and durability, high security, and ideal storage solutions. 3-Point security system with secure padlock enclosure. 16-gauge steel construction with arc-welded seams ground to a smooth, perfect system. Rigid security with a formed sidewall design allows doors or lids to overlap when closed. Powder-coat finish for increased resistance to corrosion and weather damage. Recessed handles.
