Item P10-2579

End Brushes

For use with portable power tools such as drills or die grinders. Excellent for use in cleaning and finishing recessed areas or pipes. **Knot Wire** provides aggressive cutting action. **Circular Flared** end brush excellent for side cleaning action. **Crimped Wire** used where high flexibility is needed. 1/4" shank diameter. **It is important to check the RPM rating of the tool to verify it does not exceed the Maximum Safe Free Speed (MSFS) of the brush.**

Other sizes of end brushes available. Call for a complete listing.
