

Item P10-9801

Fein 700 Max Multimaster Oscillating Multitool

Fein MultiTool for rapid work progress in interior construction and renovation with a bi-metal saw blade for wood, metal, and plastics. Tool change in under 3 seconds with a patented, tool-free, FEIN rapid-clamping system. With the StarlockMax tool mounting, you have access to around 180 FEIN accessories in the Starlock, StarlockPlus and StarlockMax performance categories. Durable, overload-proof, high-performance motor with high proportion of copper for higher cutting speed and ultra-rapid work progress. Constant speeds, even under load, and infinitely variable electronic speed control. High load capacity and maximum service life, since all drive head parts are made of metal. **Includes: universal E-Cut saw blade 1-3/4 in" and tool case.**

Specifications	
Blade Oscillations	11,000-18,500 rpm
Input Watts	450
Tool Weight	3.5 lbs.
