**Item P13-1654**

**Festool Work Lamp KAL II**

The SysLite's robust build and shock-resistant body is easy to carry and designed to perform when you need it most. Updated with higher-performing LEDs to emit 50% more light with the same power consumption. 20% longer runtimes with a higher capacity internal battery, improved color temperature (5,000 Kelvin), and integrated emergency lighting function. Can be used with external Festool batteries or plugged directly into a power source. 170° Dispersion casts broad and even light for the most natural lighting effect to examine a surface for imperfections, or illuminate a tight workspace without a harsh, blinding glare. Includes: integrated lithium-ion battery 7.2V, car charger adapter, 110V adapter, transport bag, and in self-service display pack.
