

Item P10-9891

Generac XC Series Generators

Generac G-Force™ engine features best-in-class power with full pressure lubrication and is optimized for generator use. True Power™ Technology provides clean, smooth operation of sensitive electronics, tools, and appliances. 120 / 240 selector switch provides full 120V power. Full wrap, heavy duty, 12 gauge steel tube provides rugged durability and protects the generator and fuel tank from damage. Steel lifting pocket is designed for easier lifting and transportation on jobsites by crane or forklift. Full panel GFCI protection is OSHA compliant with covered outlets. First oil and maintenance kit included.

Specifications		
Model	XC6500E	XC8000E
