

**Item P14-1667**

**Greenlee Field Office**

The Greenlee portable field office work box has a slanted work surface with lockable, concealed storage area. Concealed lock protectors for both upper and lower doors protect locks from drilling and cutting. Weather stripping on all doors help protect documents and tools from the elements. Top door opens with a heavy-duty gas spring and a locking arm for ease of opening and safety. Shelving for both upper and lower areas add versatility for organizing and storing jobsite tools and supplies. Grooved front doors for ease of opening and storage compartment access. Continuous, non-removable pin hinges help prevent theft. Overlapping corners, rolled edges, and strategically placed reinforcements for added strength. Welded 16-gauge steel construction. Transportable with forklift for easily moving from one jobsite to the next. **Optional casters sold separately.**

Recommended [Caster Set: 5"](#), [Caster Set: 6"](#) or [Caster Set: 6" Heavy Duty](#).
