

Item P12-0194

Greenlee UT 10 Cable Puller Package w/Floor mount

The only 2 speed puller on the market that can shift from high speed/low load pulling to low speed/high load pulling with a simple double- tap motion on the foot pedal control switch. Use for cable pulls requiring high as well as low pulling loads. 2-Speed motor that delivers the fastest pulling time for all pulling needs over the widest range. Strong, rugged motor designed specifically for both big and small cable pulling applications up to 10,000 lbs. The no-load high speed is best suited for loads up to 4,000 lbs. The no-load low speed can be used on loads up to 8,000 lbs, or a momentary peak capacity of 10,000 lbs. On-board force gauge provides visual communication of pulling force and speed changes. Comes with floor mount bracket and hardware.
