Guardian Series 1 Harness with Barton Malow logo

Series 1 harnesses feature durable water-repellent, contrasting core webbing that makes any damage easy to see, greatly improving the inspection process. Webbing ends are folded and stitched with rubber tabs for durability, and rubber web keepers prevent loose straps from interfering with your work. Dual lanyard keepers safely store unused lanyard legs, and the 2-bar torso adjusters make fitting the harness fast and precise. Chest quick-connect and leg tongue buckles with side D-rings.
