

Item P14-2229
Guardian Series 5 Harness with Barton Malow logo

The Guardian Series 5 full-body harness incorporates premium features for even greater performance. Feature durable water-repellant, contrasting core webbing that makes any damage easy to see, greatly improving the inspection process. Removeable shoulder and leg pads offer expanded coverage for increased comfort and are removable for washing. The SRL connector loop allows you to mount a personal SRL while keeping the D-ring free for incidental tie-offs. Waist belt is articulated for an ergonomic fit, helping to support heavy tools or just providing extra support for a long day's work, and the laminated waist belt will not fold during use. Chest quick-connect, leg tongue buckles, and waist pad with side D-rings. Size: L/XL.
