

Item P15-1618

GypFast Cordless Coil Nailer

Fully Automatic Cordless Gas Fastening System for attaching exterior sheathing to light gauge steel framing. Fully automatic system with 150-nail capacity is 3-5 times faster than screws. Fast set-up and tear down; insert battery, fuel cell and nail coil. Easy to use with self-contained power source eliminates need for extension cord, hoses and compressors. Aggressive, patented nail shank design provides high pullout performance. Contoured bugle head style provides high pullover (wind) resistance. Long life Climacoat™ finish is 10 times more corrosion resistant than electro-zinc plating. Applications include: exterior gypsum sheathing to steel framing, plywood and OSB sheathing/flooring, fiber cement panel attachment, blocking, exterior walls, windows/door bucks, specialty exterior sheathing attachment, woven wire mesh or expanded metal lath to steel framing. **Includes: GypFast Cordless Coil Nailer, (2) batteries, battery charger, carrying case and safety glasses.**
