Item P10-0399

Halo Hard Hat Light

The Halo was specifically designed for people working in tough environments. Powerful flood task lighting to the visual periphery for improved work efficiency. Rechargeable battery provides 5 ½ to 34 hours of runtime depending on modes used. Four light modes: halo, hi-alert, task, and dim. Full brightness in 360⁰ to enable the wearer to see and be seen in all directions. Connects securely to any standard hard hat.
