

Item P25-0648

HeartSine® SAM Standard AED

First Aid programs now include the innovative and lifesaving AED (automated external defibrillator). Sudden Cardiac Arrest is a leading cause of death globally. Response time is critical for survival. The AED Station is a state-of-the-art defibrillator inside a lightweight and easy-to-operate system. This AED provides easy to follow visual and audio prompts to guide the rescuer from pad application to CPR and shock delivery if required. **HeartSine® SAM 450P model includes CPR Rate Advise, ICG-based real time audible and visual feedback on CPR rate “Push faster”, “Push slower”**).
