

Item P71-1104

Hougen RotaCut™ Hole Cutters

Revolutionary steptooth design, high speed steel cutters cut fast, clean holes in steel, sheet metal, aluminum, pipe, wood and plastic materials up to 1/2" thick. Cutters are non-clogging so that chip clearing problems are eliminated. Spring loaded pilot guide in arbor eliminates need for predrilling. Designed for use in hand held drills.

Item	Description	Attributes
71-1104		Diameter: 5/16" Decimal Equivalent: .3125" Details: For up to 1/4" Thick Material
71-1108		Diameter: 3/8" Decimal Equivalent: .3750" Details: For up to 1/4" Thick Material
71-1112		Diameter: 7/16" Decimal Equivalent: .4375" Details: For up to 1/4" Thick Material
71-1116		Diameter: 1/2" Decimal Equivalent: .5000" Details: For up to 1/4" Thick Material
71-1120		Diameter: 9/16" Decimal Equivalent: .5625" Details: For up to 1/4" Thick Material
71-1124		Diameter: 5/8" Decimal Equivalent: .6250" Details: For up to 1/4" Thick Material
71-1132		Diameter: 3/4" Decimal Equivalent: .7500" Details: For up to 1/4" Thick Material
71-1136		Diameter: 13/16" Decimal Equivalent: .8125" Details: For up to 1/2" Thick Material
71-1140		Diameter: 7/8" Decimal Equivalent: .8750" Details: For up to 1/2" Thick Material
71-1148		Diameter: 1" Decimal Equivalent: 1.0000" Details: For up to 1/2" Thick Material
71-1156		Diameter: 1 1/8" Decimal Equivalent: 1.1250" Details: For up to 1/2" Thick Material
