

Item P11-6526

Lenox™ PVC / ABS Plastic Pipe Hand Saw

The Lenox™ PVC/ABS hand saw's wide, rigid carbon steel blade with hardened teeth will breeze through any diameter plastic pipe, wood and nail embedded wood. It's heavy duty, lightweight aluminum handle features a comfortable hand grip and a large opening for maximum finger clearance allowing room for work gloves. Saw comes with one blade. Available in 12" or 18" lengths. Replacement blades available.
