

Item P13-0122
Lever-Type Series 400 Benders

These lever-type benders produce smooth accurate bends to 180° in soft copper, steel and stainless steel tube. 90° start angle maximizes leverage and minimizes bending effort. Features solid handles with cushion grips and a built-in vise mount. Unique oil-absorbing bending shoe helps to further minimize bending effort. Available in 5 inch sizes and 4 metric sizes.
