

Item P14-0496

Master Lock Security Cables

Excellent for locking up equipment such as tools, ladders, and job boxes. The vinyl coated braided steel is stronger than chain for added security, as well as rust resistant. Lighter weight and easier to handle than chain. Ready to use with eyes at each end.

Item	Description	Attributes
14-0496		Size: 3/8 " x 6'
14-0495		Size: 3/8" x 15'
