

**Item P11-7245**

**Metabo 36V MultiVolt™ Brushless Rebar Bender/Cutter**

Metabo HPT 36V MultiVolt™ Portable Rebar Bender/Cutter is the industry's first cordless rebar bender/cutter. This tool can be used cordless or corded when paired with the **(11-7246) AC Adapter** (sold separately). Cuts approximately 270 pieces of #5 rebar per charge and bends approximately 520 pieces of #5 rebar at 90° per charge with MultiVolt 4.0Ah battery. Brushless technology offers more run-time, increased power, and extended durability with essentially no maintenance. Convenient color-coded angle adjust dial allows users to set accurate bend angle up to 180° for up to #5 rebar. **Includes: (2) 36V MultiVolt™ 4.0Ah batteries and rapid charger with USB port.**
