

Item P10-1227
Metabo 6" 14.6 Amp Angle Grinder

Maximum productivity through strong power at a low weight. Perfect ergonomics thanks to a slim grip area for maximum control and easily working overhead. Metabo LongLife Motor with new cooling and carbon brush system for double the service life. Tacho-Constamatic (TC)-Full Wave Electronics: fast work progress by means of constant speed under load. M-Quick System for disc change without tools at the push of a button. Tool-free adjustable guard; twist-proof. Low vibration side handle Metabo VibraTech (MVT). Metabo S-automatic Torque Limiting Clutch: minimizes kick-back to the lowest level when the disc jams unexpectedly - for maximum user protection and swift progress. Electronic soft start and restart protection. Gear housing can be mounted turned in 90° steps for left-handed operation or cutting. Auto-stop carbon brushes to protect the motor. Rat tail design for comfort.
