

Item P10-1765

Metabo 6" Angle Grinder

Robust, powerful angle grinder with greatest power density in its class for quick work progress. New, patent-pending Metabo Long-life motor with up to 50% more torque and up to 20% higher overload capacity for quicker material removal and longer service life. Tacho-Constamatic (TC)-Full Wave Electronics offer fast work progress by means of constant speed under load. M-Quick System for tool-free disc change at the touch of a button by means of M-Quick flange nut. VibraTech (MVT) side handle vibration damping for convenient continuous operation. Metabo S-automatic Torque Limiting Clutch minimizes kick-back to the lowest level when the disc jams unexpectedly for maximum user protection and swift progress. **Includes: guard, clip-on cutting wheel guard, inner support flange, M-quick flange nut, side handle Metabo VibraTech (MVT).**
