

Item P10-1815

Metabo Deadman Angle Grinder with Brake

1,700-Watt angle grinder with the power of a large grinder and the compactness of a small one for quickest material removal for industrial applications. The Metabo LongLife Motor with patented dust guard offers up to 20% more high overload capacity and 50% more torque. Quick disc change at the push of a button without tools. Best anti-vibration system offers integrated auto balancer for up to 50% less hand-arm vibrations, longer service life of the machine and up to twice the service life of the grinding discs. Paddle switch with dead-man function is safe to operate due to an ergonomically integrated non-slip switch. Patented, mechanical disc brake stops the disc after switching off within 2 seconds, even in the event of a power cut. Metabo S-automatic Torque Limiting Clutch minimizes kick-back to the lowest level when the disc jams unexpectedly for maximum user protection and swift progress. Electronic soft start for smooth start-up and restart protection after power failure. Gear housing can be mounted turned in 90° steps for left-handed operation or cutting. Steel eye for carabiner to secure the angle grinder from falling when working at great heights.

Includes: guard, inner support flange, M-Quick flange nut and side handle Metabo VibraTech (MVT).

Specifications	10-1815	10-1816
Amps	14.5	14.5
No Load Speed	11.000	9,600
Spindle Thread	5/8"-11	5/8"-11
Torque	33 in-lb	38 in-lb
Max Wheel Diameter	5"	6"
Tool Weight	6 lbs.	6.2 lbs.
