

Item P14-2737

Milwaukee BOLT™ REDLITHIUM™ Headlamp

Delivers 600 lumens of TRUEVIEW™ high definition flood lighting paired with a 70° pivoting light head for full illumination for any task. Our rechargeable headlamp is designed with the cam lock mounted battery pack in the rear for maximum maneuverability and security in tight spaces and a balanced design for all-day use. Four light output modes: High, Medium, Low, and Eco for 32 hours of runtime to maximize light output or extend runtime. The light is IP54 rated for water and dust resistance and can withstand up to 2M drops, surviving the toughest conditions on and off the jobsite. The BOLT™ REDLITHIUM™ Headlamp is powered by the REDLITHIUM™ USB 3.0AH Battery, providing all-day run-time, more recharges, and 3x faster charge time.
