

Item P18-0029

Milwaukee Front Brim Safety Helmet - Type 2

Milwaukee Type 2 front brim safety helmets deliver you better protection and more comfort. These safety helmets offer protection from top and side impacts. These construction safety helmets are BOLT™ compatible with four BOLT™ accessory slots and two universal accessory slots. Includes a MILWAUKEE® BOLT™ Headlamp Mount that works with most headlamps for easy, secure attachment, and a BOLT™ Marker Clip allows for easy access to pens and markers. The Milwaukee helmets have a comfortable padded suspension that includes an adjustable swinging ratchet for better comfort. The climbing style helmet also has a comfortably fitting five adjustable buckle chinstrap for better security. An antimicrobial sweatband and helmet liner prevent odor and bacteria build up and are removable and machine washable. These safety helmets are ANSI type 2. Available in vented and nonvented.
