

Item P10-0968

Milwaukee Full Brim Hard Hat with BOLT™ Accessories

The hard hat features a MILWAUKEE® BOLT™ Reversible Headlamp Mount that works with most headlamps for easy, secure attachment. Four BOLT™ accessory slots and two universal accessory slots allow you to easily integrate additional personal protection equipment and accessories onto the helmet. Adjustable ratcheting suspension. A BOLT™ Marker Clip allows you to easily access pens and markers. A sweatband offers moisture wicking. ANSI/CSA approved and are available in vented option for improved airflow.
