

**Item P10-3574**

**Milwaukee M12 FUEL™ 1/4" Hex 2-Speed Screwdriver Kit**

Provides up to 10X longer motor life, 2X more power, and 2X more runtime. The POWERSTATE™ brushless motor outperforms all leading competitors with constant power output, yet runs cooler with no wearable components. The onboard fuel gauge helps monitor the charge more accurately reducing downtime. Optimized design results in superior speed for greater productivity, and compact design allows users to work in tighter spaces. The LED worklight illuminates dark work surfaces. **Kit includes: 1/4" Hex 2-Speed Screwdriver, (2) 12V REDLITHIUM™ 2.0 Compact Battery, M12™ Lithium-Ion battery charger, belt clip and hard carrying case.**

Specifications
