Milwaukee M18 FUEL 16 Gauge Angled Finish Nailer Kits

Milwaukee M18 FUEL™ 16 Gauge Angled Finish Nailer provides peak productivity at your jobsite, delivering unmatched nailing performance without the hassle of a compressor and hose. Leveraging our nitrogen air spring mechanism, the 16 Gauge Angled Finish Nailer allows you to consistently sink nails to your required depth in hard and soft woods while leaving clean nail holes, making for repeatable results and easy filling. This cordless finish nailer features a compact and ergonomic design providing access into tight spaces where nailing is required while limiting fatigue when using the tool. **Kit includes: M18™ REDLITHIUM™ CP2.0 Battery, M18™ & M12™ multi-voltage charger, and contractor bag.**
