Milwaukee M18 FUEL™ Deep Cut Dual-Trigger Band Saw Kit

Milwaukee M18 FUEL™ Deep Cut Dual-Trigger Band Saw Kit cuts faster than its corded counterparts and features a Dual-Trigger design for safe cutting. The deep cut band saw delivers you the largest capacity of 5 x 5 inches for maximum productivity. This band saw incorporates a Dual-Trigger design which requires two-handed operation. It is equipped with Jobsite Armor Technology, protecting your tool from drops and debris with a proprietary composite material and crush zone barriers to absorb impacts. The portable deep cut band saw features a tool-free locking adjustable shoe that can adjust from an extended shoe to no shoe in seconds. The band saw also includes a hanging hook for easy storage in-between cuts, LED light to illuminate your cutting area, superior cut visibility, and balanced body design. **Kit includes: M18 FUEL™ Deep Cut Dual-Trigger Band Saw (2729S-20), (2) M18™ REDLITHIUM™ XC5.0 Extended Capacity Battery Pack, M18™ & M12™ multi-voltage charger, deep cut band saw blade cover, and band saw blade.**
