

Item P10-1945

Milwaukee M18 FUEL™ Pipe Threader w/ One-Key™ Kit

The cordless pipe threader features AutoStop™ technology that senses severe kickback and automatically shuts the tool off. It also has a die head lock preventing die head ejection and a side handle to eliminate the need for you to hold the spinning die head when starting threads. M18™ REDLITHIUM™ HIGH OUTPUT™ HD12.0 battery delivers unmatched run-time in all applications and gives you the power to thread up to 2" black iron pipe, stainless steel, and rigid metal conduit (RMC). The handheld pipe threader is compatible with ONE-KEY™ Technology and is the industry's first pipe threader that wirelessly connects to a smartphone to track the tool's location, manage it in inventory, and lock the tool out for added security and protection to your investment. **Includes: M18 FUEL™ Pipe Threader w/ One-Key™, M18 REDLITHIUM™ HIGH OUTPUT™ HD12.0 Battery Pack, M18™ & M12™ rapid charger, threading support arm, and carrying case.**
