Milwaukee M18 FUEL™ SAWZALL® Recip Saw w/ ONE-KEY™ Kit

Milwaukee M18 FUEL™ SAWZALL® Recip Saw is the fastest cutting reciprocating saw in its class and leverages a POWERSTATE™ Brushless Motor to provide you with 3,000 SPM and a 1-1/4" stroke length for faster material removal. A wear-resistant blade change, anti-corrosion blade clamp, and metal reinforced battery rails provide longer component life and stand up to the toughest jobsite conditions. The M18 FUEL™ SAWZALL® weighs less than the previous generation and features an adjustable shoe, integrated LED light, and a hanging hook for convenient storage on the job. Tool customization allows you to connect and control settings such as output speed and trigger ramp up for smoother cut starts. The tool's memory supports up to 3 custom profiles that can be easily accessed with the touch of a button on the tool. Integrated tool tracking, also available through ONE-KEY™, provides you with full visibility to how and where tools are being used across your network of jobs and users. **Kit includes: M18 FUEL™ SAWZALL® Recip Saw w/ ONE-KEY™, (2) M18™ REDLITHIUM™ XC5.0 Extended Capacity Battery Pack, and M18™ & M12™ Multi-Voltage Charger.**
