

Item P10-3107

Milwaukee M18™ FUEL™ Hackzall® Kit

Compact and lightweight design allows for easier cutting in tight spaces or overhead applications. Up to 4x lower vibration for smooth cut starts and one-handed control. One-handed design provides superior control and versatility over standard reciprocating saws and the 7/8" stroke length removes more material with each stroke resulting in the faster cuts. **Includes: M18 FUEL™ Hackzall®, (1) M18 XC5.0 REDLITHIUM battery pack, M18/M12 multi-voltage charger, general purpose SAWZALL® blade, and contractor's bag.**
