

**Item P10-0389**

**Milwaukee N95 Respirator**

Milwaukee N95 Respirators are designed to stay comfortable all day on the jobsite. These respirators feature two soft adjustable straps and a flexible nose bridge, providing you with a better fit. Additionally, the straps have a staple-free attachment method to the mask that reduces irritation from all-day wear. These Milwaukee® respirators are NIOSH N95 approved for sanding, grinding, sawing, and insulation particles. 20 Masks per box.
