

Item P13-9135

MSA Faceshield

Compatible with Slotted V-Gard caps (which Colony sells and stocks). Add this to your V-Gard Hard Hat, and you are now protected against small flying objects, abrasive particles, and chemical splashes. The frame comes with mounting brackets, positive positioning joints, and lockdown device. Clear faceshields (8" x 16") are sold separately, and not included when purchasing the faceshield frame.
