

Item P25-0499

Non-Adhesive Floor Runner

This non-woven floor runner has a non-skid backing which stays put in short lengths and can be trimmed to fit any area. It is excellent for covering and protecting hardwood floors, and maintaining a cleaner, safer work environment. It is durable, highly absorbent, and will not tear or disintegrate. Should not be used on wet floors. Can stay in place up to 120 days.
